Following the golf scramble, the 2nd annual Alumni & Friends tailgate party was held at the June & Paul Schorr III Center for Computer Science & Engineering. Approximately 50 alumni, friends, CSE faculty and staff attended the event which began 3 hours prior to the NU-Louisiana/Lafayette game. The golf awards were presented and 7 lucky attendees won door prizes donated by the UNL Office of Campus Recreation. Guests enjoyed visiting with old colleagues and meeting new ones!

Thank you to those who participated in the alumni weekend events. We plan to hold both events again next year, as soon as the date is confirmed, we will let you know! If you have any questions about CSE, or want to become involved with us in anyway, please call me at 402-472-2401 or e-mail goddard@cse.unl.edu
